Little About Us

TOPCertifier, (a division of Veave Technologies), is a consulting firm providing Business Advisory, Training, Process Consultation and Certification services. We operate in over 40 countries and have more than 150 consultants and auditors

We have successfully executed over 5000 projects. Our consultants and auditors come from many different backgrounds and are united by a set of shared values. They deliver certification, with simple documentation and minimal efforts from our customers.

We focus on practices that could increase your bottom-line than just sticking to standard guidelines. All our customers have reported increase in sales, brand recognition, employee retention and as a result increased profits due to our certification services.

We handle end-to-end turnkey projects. From advising what certifications would give you maximum return on investments, which certification body to choose, gap analysis, documentation, training, internal audits and organize external audits. We are your one-stop solution provider.

Director's Word

Our emphasis is on adapting to changing environments, enabling us to meet our clients' expectations. By focusing heavily on developing and empowering our people, we are confident we will continue to be relevant to the issues at hand and provide practical insight to help businesses and organizations to navigate through changing environments.

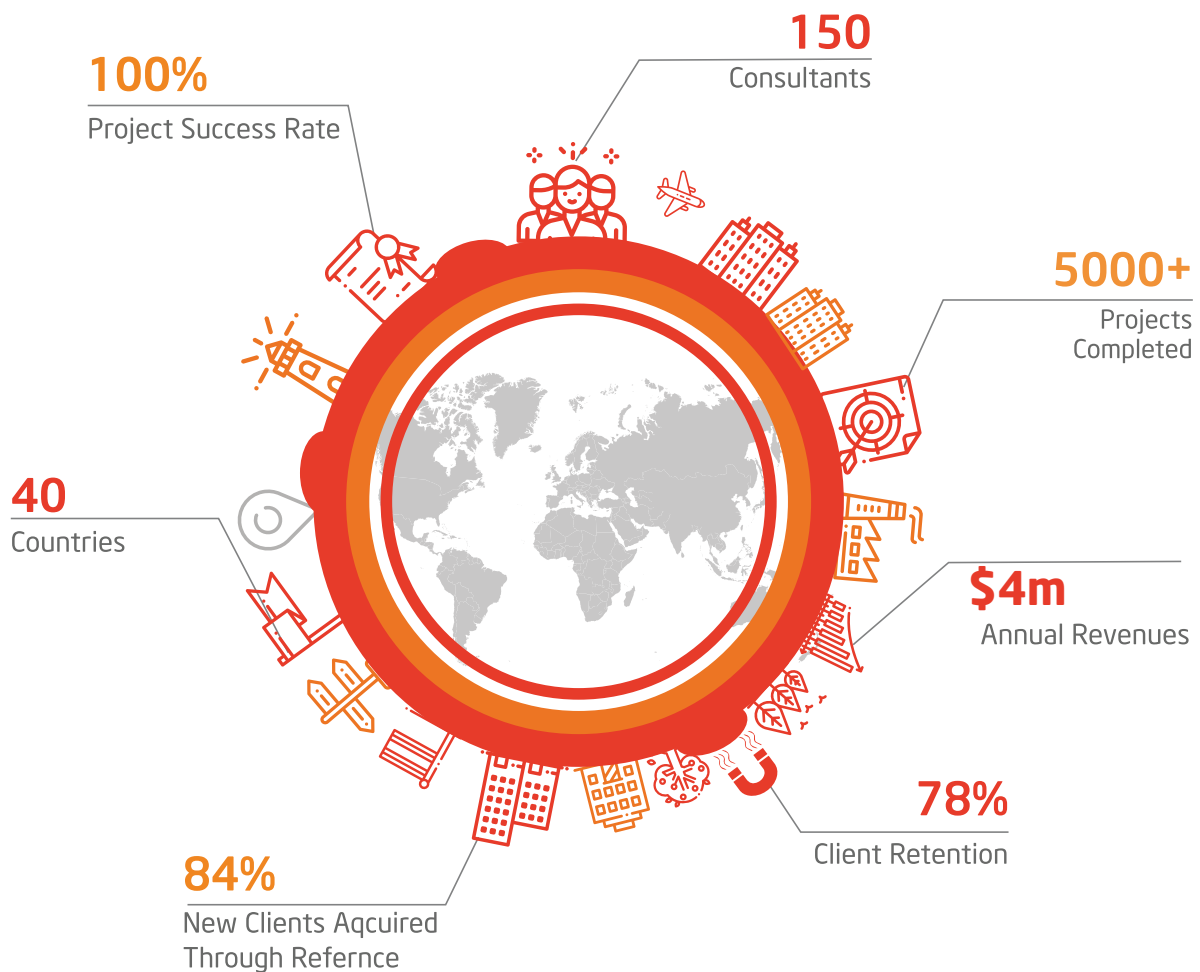

Vijay Boregowda

Director

Our mission is to provide cost-effective, competitive and practical business solutions to help companies achieve ISO certifications in quick time. We are one of the handful of professional consulting companies with a global customer base and service portfolio that covers all the International Quality Certifications including ISO, CE, HACCP and CMMI. TOPCertifier's blend of international expertise and local knowledge makes us well positioned to serve our clients in this exciting market.

TOPCertifier Global Outing 2020

Why Work With TOPCertifier?

Over two decades of consulting experience. Completed over 5000 projects in 30 different standards across 40 countries.

Our focus is on improvement. With right practices put in, certification is just a by-product.

All our consultants are certified lead auditors and industry experts.

Simplified certification process. Minimum documentation. Focus on training and improving bottom-line.

Post certification support. Regular visits to ensure compliance & support during surveillance audit.

End-to-end responsibility. One-stop solution for consulting, training, audit and certification.

Our services and expertise span across various industry segments, with our majority of clients from IT/ITES, manufacturing, government and services. Our services include product and corporate certifications across over 30 standards.

Apart from consulting and certification, our experts deliver high quality services in application development and support, information security services, digital marketing, training and staff augmentation.

Global Clients

Global Client Feedback

Your perseverance and enthusiasm were the main reasons we managed to obtain our certification in record time. PCS looks forward to working with you in the future and will unreservedly recommend you to other Companies who may require your services.

David Stock
